

Employment Opportunities

Due to the continued growth of our private outpatient clinics, we are always looking for progressive Physical Therapists and Physical Therapy Assistants for our current locations. Excel Physical Therapy is a group of dynamic Physical Therapists that offer the best in patient treatment utilizing a teamwork approach throughout all aspects of our care. We offer all current and progressive therapies including manual therapy, athletic performance, orthopedic rehab, and neurological interventions in order to treat our patients with the best “one on one” quality they deserve. If you want to work with the best, then call or fax your resume to us today.
